statement in support of petition to re-instate patent 6185490

**PETITION TO ACCEPT UNINTENTIONAL DELAYED PAYMENT
OF MAINTENANCE FEES IN AN EXPIRED PATENT
(37 CFR 1.378(C))**

I Thomas W. Ferguson the sole inventor of unintentionally expired patent 6185490, application number 60/079,370, filed on 03/26/1998, wish to please have the patent reinstated and the maintenance fee accepted for the following reasons.

Statement of facts;

I am a sole inventor that works at a full time job and confess to not being aware of the pending expiration of my patent. I have paid on time all of the previous maintenance fees and had every intention of paying this one. My wife asks me in mid February when the fee was due and I was appalled to find that I had overlooked this important event. I immediately wrote a check for the fee and sent it to the USPTO. In my haste, I transposed the numbers of the affected patent on the check to 6189480. This patent expired in 2009 and caused confusion and eventual rejection of the fee payment. I do not have any way of being notified when fees are due because as a sole inventor, I have no organization to keep track of them and must rely on memory. I accept that the missed date is my fault and respectfully ask that the petition for reinstatement be accepted and the fee accepted.

Sincerely;

Thomas W. Ferguson
